General Limitations

This is a license, not a transfer of title, to the Software and documentation, and Rockwell Automation retains ownership of all copies of the Software and documentation. Customer acknowledges that the Software and documentation contain trade secrets of Rockwell Automation or its suppliers or licensors, including but not limited to the specific internal design and structure of individual programs and associated interface information. Except as otherwise expressly provided under the Agreement, Customer shall only use the Software in connection with the use of Rockwell Automation equipment purchased by the Customer from an approved source and Customer shall have no right, and Customer specifically agrees not to:

(i) transfer, assign or sublicense its license rights to any other person or entity (other than in compliance with any Rockwell Automation relicensing/ transfer policy then in force), or use the Software on Rockwell Automation equipment not purchased by the Customer from an approved source or on secondhand Rockwell Automation equipment, and Customer acknowledges that any attempted transfer, assignment, sublicense or use shall be void;

(ii) make error corrections to or otherwise modify or adapt the Software or create derivative works based upon the Software, or permit third parties to do the same;

(iii) reverse engineer or decompile, decrypt, disassemble or otherwise reduce the Software to human-readable form, except to the extent otherwise expressly permitted under applicable law notwithstanding this restriction or except to the extent that Rockwell Automation is legally required to permit such specific activity pursuant to any applicable open source license;

(iv) publish any results of benchmark tests run on the Software;

(v) use or permit the Software to be used to perform services for third parties, whether on a service bureau or time sharing basis or otherwis e, without the express written authorization of Rockwell Automation; or

(vi) disclose, provide, or otherwise make available trade secrets contained within the Software and documentation in any form to any third party without the prior written consent of Rockwell Automation. Customer shall implement reasonable security measures to protect such trade secrets.

To the extent required by applicable law, and at Customer's written request, Rockwell Automation shall provide Customer with the interface information needed to achieve interoperability between the Software and another independently created program, on payment of Rockwell Automation's applicable fee, if any. Customer shall observe strict obligations of confidentiality with respect to such information and shall use such information in compliance with any applicable terms and conditions upon which Rockwell Automation makes such information available.

Software, Upgrades and Additional Copies

Notwithstanding any other provision of the Agreement: (1) Customer has no license or right to make or use any additional copies or upgrades unless Customer, at the time of making or acquiring such copy or Upgrade, already holds a valid license to the original Software and has paid the applicable fee to an approved source for the Upgrade or additional copies; (2) use of Upgrades is limited to Rockwell Automation equipment supplied by an approved source for which Customer is the original end user purchaser or lessee or otherwise holds a valid license to use the Software which is being upgraded; and (3) the making and use of additional copies is limited to necessary backup purposes only.

Proprietary Notices

Customer agrees to maintain and reproduce all copyright, proprietary, and other notices on all copies, in any form, of the Software in the same form and manner that such copyright and other proprietary notices are included on the Software. Except as expressly authorized in the Agreement, Customer shall not make any copies or duplicates of any Software without the prior written permission of Rockwell Automation.

Term And Termination

The Agreement and the license granted herein shall remain effective until terminated. Customer may terminate the Agreement and the license at any time by destroying all copies of Software and any documentation. Customer's rights under the Agreement will terminate immediately without notice from Rockwell Automation if Customer fails to comply with any provision of the Agreement. Upon termination, Customer shall destroy all copies of Software and documentation in its possession or control. All confidentiality obligations of Customer, all restrictions and limitations imposed on the Customer under the section titled 'General Limitations' and all limitations of liability and disclaimers and restrictions of warranty shall survive termination of this Agreement. In addition, the provisions of the sections titled 'U.S. Government End User Purchasers' and 'General Terms Applicable to the Limited Warranty Statement and End User License Agreement' shall survive termination of the Agreement.
