

## Restrictions

This warranty does not apply if the Software, product or any other equipment upon which the Software is authorized to be used (a) has been altered, except by Rockwell Automation or its authorized representative, (b) has not been installed, operated, repaired, or maintained in accordance with instructions supplied by Rockwell Automation, (c) has been subjected to abnormal physical or electrical stress, abnormal environmental conditions, misuse, negligence, or accident; or (d) is licensed for beta, evaluation, testing or demonstration purposes. The Software warranty also does not apply to (e) any temporary software modules; (f) any software not posted on Rockwell Automation's software center; (g) any software that Rockwell Automation expressly provides on an 'as is' basis on Rockwell Automation's software center; (h) any software for which an approved source does not receive a license fee; and (i) software supplied by any third party which is not an approved source.

## Disclaimer of Warranty

Except as specified in this warranty section, all express or implied conditions, representations, and warranties including, without limitation, any implied warranty or condition of merchantability, fitness for a particular purpose, non-infringement, satisfactory quality, non-interference, accuracy of informational content, or arising from a course of dealing, law, usage, or trade practice, are hereby excluded to the extent allowed by applicable law and are expressly disclaimed by Rockwell Automation, its suppliers and licensors. To the extent that any of the same cannot be excluded, such implied condition, representation and/or warranty is limited in duration to the express warranty period referred to in the limited warranty section above. Because some states or jurisdictions do not allow limitations on how long an implied warranty lasts, the above limitation may not apply in such states. This warranty gives Customer specific legal rights, and Customer may also have other rights which vary from jurisdiction to jurisdiction. This disclaimer and exclusion shall apply even if the express warranty set forth above fails of its essential purpose.

## Disclaimer of Liabilities-Limitation of Liability

If you acquired the Software in the United States, Latin America, Canada, Japan or the Caribbean, notwithstanding anything else in the Agreement to the contrary, all liability of Rockwell Automation, its affiliates, officers, directors, employees, agents, suppliers and licensors collectively, to Customer, whether in contract, tort (including negligence), breach of warranty or otherwise, shall not exceed the price paid by Customer to any approved source for the Software that gave rise to the claim or if the Software is part of another product, the price paid for such other product. This limitation of liability for Software is cumulative and not per incident (that is, the existence of two or more claims will not enlarge this limit). If you acquired the Software in Europe, the Middle East, Africa, Asia or Oceania, notwithstanding anything else in the Agreement to the contrary, all liability of Rockwell Automation, its affiliates, officers, directors, employees, agents, suppliers and licensors collectively, to Customer, whether in contract, tort (including negligence), breach of warranty or otherwise, shall not exceed the price paid by Customer to Rockwell Automation for the software that gave rise to the claim or if the Software is part of another product, the price paid for such other product.

This limitation of liability for Software is cumulative and not per incident (that is, the existence of two or more claims will not enlarge this limit). Nothing in the Agreement shall limit any liability of Rockwell Automation which cannot be excluded under applicable law.
